LETTER TO PUBLISHING PARTNERS AND MINISTRIES

CMP is thankful for the continuing growth of the company and our publishing operations. We continue to serve some of the largest global ministries, operating in southern Africa and globally, through our publications and services.

The Christian Church in the "Global South" is growing and projected to continue growing at an exponential rate. However, there continues to be many families in Southern Africa and globally without access to a Bible or Christian Children's Literature.

Our vision at CMP is to make Bibles and Children's Bibles **Affordable, Available, Attractive** and **Accessible** to be enjoyed by Christian communities globally. We thank all our partners (ministries, churches, retail- and commercial partners) who continue to share this vision with us. We invite you to partner with us in bringing the **Light, Love** and **Hope** of God to a world in need.

In 2020, a year of great challenges, change and uncertainty, it was evident to us that people turn to God's Word for truth, hope and comfort. We pray that CMP may continue to play a role in spreading the life-giving Word of God across the world and support Christians in growing in their relationship with Christ.

OUR STORY

Christian Media Publishing was formed in 2010 when a group of friends, theologians and leaders in the Christian Publishing sector partnered to form a company to provide dedicated, trusted and specialised publishing services for Bibles and Christian content.

CMP partners with Biblica as a Southern African publisher and licensee of NIV (New International Version) Bibles. The NIV translation remains the world's best-selling contemporary English translation of the Bible. CMP also partners with Biblica to publish and distribute numerous other Bible translations in Southern Africa, including Chichewa, Ndebele, Shona, Portuguese and Kiswahili. CMP has grown to a company that also serves some of the largest ministry organisations, operating in Southern Africa and globally, through our Bibles, Children's Bibles, meta-text Bibles and custom project- and publishing services. Some of our key partners include Biblica, Word for the World, Harvesters Ministries, Judea Harvest, Lifeway, Christian Literature Fund, Teach Every Nation of Dr. Bruce Wilkinson, Bibles Beyond Borders and many other ministries.

CMP operates mainly from our new offices in the historic town of Stellenbosch, South Africa.

OUR VISION

With every CMP Kids publication, we want to point kids in the right direction and promote their emotional health by instilling a sound spiritual foundation in them during each phase of their development. Our vision is best expressed through the commandments in the Word of God:

- Start children off on the way they should go, and even when they are old they will not turn from it. (Proverbs 22:6 | NIV)
- Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the door-frames of your houses and on your gates. (Deuteronomy 6:5-9 | NIV)

THERE WITH EVERY STEP

At CMP Kids, we strive to aid children during each important developmental phase:
